

Attendance Policy Appeals Form

This policy has been established to help us serve you better as a student seeking our services and the UCF/Valencia community. We assess fees to students in the event of a no show, late cancellation, or late reschedule for scheduled appointments. We offer clients the opportunity to appeal any fee assessed to them. Appeals must be filed in a timely manner within 30 days of the day charges are assessed by the end of the business day. Please submit your appeal and receive a decision prior to making a payment as payments are nonrefundable.

We provide this appeal process because we understand that situations such as medical or family emergencies occasionally arise when a scheduled appointment cannot be kept and providing adequate notice is not possible. Appeals will be considered on a case by case basis. We approach appeal decisions by considering the student's life circumstances surrounding the missed appointment while also recognizing CAPS clear expectations and policies for appointment attendance. We will notify you by phone, by mail or you may pick up the decision statement at CAPS front desk.
