

CAPS Giving Back Campaign 2022

November 14 – December 2, 2022

What: This campaign is created to allow any UCF student with a current charge at CAPS the opportunity to reduce, or in some cases, remove the fee by investing time into their personal growth and/or giving back to UCF community.

How: We offer two options!

Option One – Attend a CAPS WOW Workshop

Attending 1 CAPS WOW Workshop will get you a total of \$30 off your charged account. Attendance must occur during the month of November through December 1. You will need to gather workshop name, facilitator name, and obtain a workshop certificate for submission. Check out this website for workshop dates and times: <https://caps.sdes.ucf.edu/groups/caps-workshops/>

Option Two - Donate Items for UCF Knights Pantry

Gather food items or toiletries that can be used for UCF Knights Pantry. For each 20 items donated, you will get a total of \$30 off your charged account. These items will need to be dropped off at CAPS main desk during regular business hours.

Items in high demand include peanut butter, canned tuna/chicken, canned fruits, pasta, pasta sauce, mac & cheese, rice, hamburger helper, pancake mix, cereal & cereal bars, canned beans, soup, oatmeal, soap/bodywash, deodorant, mouthwash, toothbrushes, toothpaste, feminine hygiene products, laundry detergent, toilet paper, razors, and shaving cream.
